United States District Court  
Western District of New York

HONORABLE FRANK GERACI;  
United State District Judge  
United State Courthouse  
100 State Street  
Rochester, New York 14614

Michael Williams  
Livingston County Jail  
4 Court Street  
GENESEO, N.Y. 14454

DEAR HONORABLE MR. GERACI;

My NAME is Michael Williams  
And my CASE NUMBER is, 12CR6152  
And the REASON I'M WRITTING you  
this letter, is BECAUSE I HAVE AN  
APPEAL before you, FOR A REOPENED  
suppression hearing.

I would like to bring to  
the courts attention, that on  
May 30, 2014 after both the  
government, and my lawyer had  
rested, and filed breifs, my  
hearing was reopened, so that  
the government could present  
evidence they failed to present

during original hearing. All the evidence presented during reopened hearing, the government had during original hearing, and didn't present because they used consent. The government was given every opportunity during original hearing to present their case, there is no basis to justify giving the government two chances to prove its case.

People vs Robinson 100 A.D. 2d 945 (1984)

If this court would look into why hearing was reopened on May 30, 2014 after government and my lawyer rested and briefs were filed by government and my lawyer, and then hearing was reopened, giving government second chance to prove its case.
